

Support York Cares' Work Wardrobe

The Work Wardrobe was established to support students by providing them with free work appropriate clothing.

In order to continue to support students we need donations of good quality but no longer needed work wear.

Clothing, shoes and accessories are all collected. We just ask that they are clean and in good condition.

Work Wardrobe Donation Point

Please leave any donations here!

Work clothing, shoes and accessories are all collected. We just ask that they are clean and in good condition.

York Cares would like to thank you for supporting our Work Wardrobe. Without your donations we would not be able to provide students with this much needed service.
