

# York Cares Christmas Collection 2024

Christmas is an important time for York Cares, and this year, we're once again launching our much-loved Christmas Collection campaign! With over 4,000 items needed across 11 local charities, your help can make a real difference to people in need across the city.

These vital donations, including toiletries, warm clothing, food, toys, and gifts are delivered to organisations such as Door 84, Kyra, Refugee Action York, and more who work with a range of people across the city.

## How to get involved:

- Scan the QR code above to find out more about this year's Christmas Collection
- View the [2024 Wishlist](#) and pledge your donations
- Make a donation via our [JustGiving page](#)

Thank you for supporting helping to make a better York this Christmas.

# York Cares Christmas Collection 2024 Donation Point

Please leave your donations here. To help with the sorting and distribution of items, we would be grateful if they could be labelled with the organisation they are for.

"The Christmas Collections make such a huge difference. It allows some relief in the current pressures and creates a supportive, community feel. Receiving the support from a trusted place is an extremely important part of the process to help reduce stigma and increase the amount of beneficiaries. We are so grateful to the supporters who make this magic happen."

Heidi Haywood, Executive Manager, Door 84

Thank you for supporting helping to make a better  
York this Christmas.
