Platinum Places

Throughout 2025 we are trailing a monthly opportunity, open exclusively to our Platinum members. Each month, we will organise a designated volunteering day at a local site, offering members the chance to participate either individually or as part of a group. This initiative provides a unique opportunity to volunteer alongside professionals from a variety of organisations while making a meaningful contribution to the local environment.

From February to April our Platinum Place is North Street Gardens.

For more information or to book your place, contact Caitlin via emailing info@yorkcares.co.uk.
